OATH FOR UNITED STATES NATIONAL STAGE OF PCT APPLICATION

As a below named inventor, I hereby declare that:

My residence and citizenship are as stated below next to my name.

I believe I am an original, first, and joint inventor of the subject matter which was described and claimed in Patent Cooperation Treaty International Application No. PCT/US04/016647, international filing date 27 May 2004, for the invention entitled "Angiogenic Agents from Plant Extracts, Gallic Acid, and Derivatives," designating and electing the United States, and claiming the benefit of the priority of United States provisional application serial number 60/473,806, filed 28 May 2003 (File No. Greenway 02P01US). This International Application designated and elected the United States. I am informed and believe that no amendments have been filed under PCT Article 19.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

I acknowledge the duty to disclose information that is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56.

I hereby give powers of attorney to John H. Runnels, Registration Number 33,451, Bonnie J. Davis, Registration Number 41,699, and André J. Porter, Registration No. 50,341 to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

Please direct all communications regarding this application to:
